

KECOUGHTAN HIGH SCHOOL BUSINESS AND INFORMATION TECHNOLOGY COURSES

Every career path requires **Digital Input Technology** as a prerequisite. Students are able to take more than one business class at a time.

The following is a suggested course sequence, not required. Accounting I & Accounting II and Computer Information Systems & Advanced Computer Information Systems are exceptions.

***Algebra I (with a C or better in both semesters) is a prerequisite to Video Game Programming.**

Classes are color coded by grade level:

Information Systems / Technology	Business Management / Entrepreneurship	Accounting	Computer Networking	Administrative Services
Information Technology Fundamentals	Digital Input Technology **	Digital Input Technology **	Information Technology Fundamentals	Digital Input Technology **
Digital Input Technology**	Finance	Finance	Digital Input Technology **	Finance
Video Game Programming*	Accounting I	Accounting I	Computer Information Systems **	Intro to Business and Marketing
Computer Information Systems **	Business Law Semester Class & Business Management Semester class	Intro to Business and Marketing	Video Game Programming*	Computer Information Systems **
Advanced Computer Information Systems **	Video Game Programming*	Accounting II	Web Page Design **	Advanced Computer Information Systems **
Web Page Design **	Accounting II	Business Management (Virtual Enterprise) **	Advanced Computer Information Systems **	Web Page Design **
	Business Management (Virtual Enterprise) **			

Business and Information Technology courses can prepare students for the world of Business in the areas of Information Systems / Technology, Business Management / Entrepreneurship, Accounting, Computer Networking, and Administrative Services. The classes listed under each area are suggested courses that focus on the competencies desired by colleges and employers.

** Courses that earn credit at Thomas Nelson Community College.

Future Business Leaders of America

The FBLA concept was developed in 1937 by Dr. Hamden L. Forkner of Columbia University.

More than 240,000 active members participate in more than 13,000 chartered chapters in 50 states, the District of Columbia, Puerto Rico, the Virgin Islands, U.S. Territories, Canada and Department of Defense Dependent Schools worldwide.

“FBLA is the premier student business association. Our mission is to bring business and education together in a positive working relationship through innovative leadership and career development programs.”

The fee to join is \$9. You will need to fill out an application and turn it in with your fee. If you have questions concerning FBLA, please ask any Business & Information Technology Teacher.
